**Does Pershing  
Speak for You?**

**“The German army can be beaten;  
the German army will be beaten;  
the German army must be beaten.”**

Pershing counted on every man, woman and child in America to back him up when he said that—back him up with their souls, their flesh, their pocketbooks—to the last drop of blood, to the last dollar.

Our young men are backing him with their blood. Every one of us at home must back him with our dollars—our last dollars—our future dollars.

**BUY Fourth Liberty Bonds. Any Bank Will Help You.**

## WHY STOP AT CITY MANAGER?

We are heartily in favor of the recent agitation to discontinue the office of City Manager. In fact, we have advocated that proposition for the past five years.

The position was created by a former city council in the face of a decided vote against it at an election called for that purpose. Since that time it has clung to us like "the old man of the sea," with an occasional increase of salary as time went on.

But why stop at City Manager? Why not use the knife to lop off some other expensive positions, or at least pare down the salary (as the government has done in the railway business) to war-time fitness?

Why not reduce expenses in the Public Utilities Department as well? We have a manager or "Superintendent of Street Work," another of the "Water Department," still another of the "Electricity Department." Why not let these **working superintendents** report directly to and get their orders from the City Council, or the proper committee thereon, and save \$250.00 a month?

## HEALTH INSURANCE GETS ANOTHER BLOW

San Francisco, September 27.—The Commonwealth Club of San Francisco, after a three hours' debate at its September meeting in the St. Francis Hotel, turned down the proposed health insurance amendment to the State Constitution by a vote of 88 to 29.

Chester Rowell, chairman of the Social Insurance Commission, in speaking for the amendment, said that it was necessary "that the insurance be made compulsory," that it would cost about "four per cent of the pay-roll" or wages received in the State, and

that the wage earners' share of the cost "could readily be collected by extracting it from their pay envelopes."

W. V. Stafford, President of Order of Railway Employees, said that "the passage of the amendment would compel the workman to buy and pay for sickness insurance whether he wants it or not, and make his home subject to invasion by inquisitive inspectors."

"The Social Insurance Commission," he added, "concedes that the measure would cost not less than Fifty Million Dollars (\$50,000,000.00) a year in perpetuity—this in face of the fact that the cost of government has doubled in this State within a few years and all are pledged to retrenchment."

"Farmers," he declared, "would not participate in the alleged benefits, but would be required to pay their share" of the Fifty Millions. The insurance would "cripple or destroy fraternal, mutual and trade unions benefit" organizations which provide sick benefits for their members.

"This is no time," he said in conclusion, "to embark on a strange experiment, to enlarge the expense of government, to load industry with further burdens, to deprive the worker of liberty, or to add to the burden of the people."

## MOTORISTS TAKING UP UNIFORM SIGNALS

The recently approved "common sense" code of signals is being used by many progressive motorists. The Automobile Club of Southern California urges that all who drive observe the three simple signals, which are as follows: Arm extended upward—turn to the right; arm extended horizontally—turn to left; arm extended downward—slow down or stop without turning.

Don't be a slacker—Trade at home!

## LIBERTY DAY

Saturday, October 12, today, is the four hundred and twenty-sixth anniversary of the discovery of America. President Wilson has proclaimed it Liberty Day, and requests the citizens of every community in the United States—city, town and countryside—to celebrate the day.

The President, in his proclamation, says:

"Every day the great principles for which we are fighting take fresh hold upon our thought and purposes and make it clearer what the end must be and what we must do to achieve it."

"We now know more certainly than we ever knew before why free men brought the great Nation and Government we love into existence, because it grows clearer and clearer what supreme service it is to be America's privilege to render to the world."

Become a stockholder in the United States—buy War Savings Stamps.

## Pits and Shells Will Save Soldiers' Lives

Save the pits and shells named in this list to help make gas masks:

Peach Stones	Date Seeds
Prune Pits	Brazil Nut Shells
Plum Pits	Hickory Nut Shells
Apricot Pits	Walnut Shells
Olive Pits	Butternut Shells
Cherry Pits	

They should be thoroughly dried in an oven or in the sun.

**REMEMBER THE LIST.** Under no circumstances send any other pits or shells.

This is war work of the most imperative sort. Send your pits and shells to the Red Cross Chapter in your district.

## LIBERTY FAIR BEGINS TODAY

Imperial Valley will be represented at the California Liberty Fair, which opens today at Exposition Park, Los Angeles, and continues until October 26th, with a wonderful exhibit. It will include products of that wonderland of the South, with cotton, rice and all of the products for which Imperial valley is famous.

Leading men of the Imperial Valley will accompany the exhibit, which comes by special train. A day will be devoted to Imperial Valley Day, an excursion will be arranged from Imperial to Los Angeles, with special rates. This matter is now in the hands of C. W. Keeran, Director of Special Events, who says that in his opinion Imperial Valley Day will be one of the big days of the fair.

Word has been sent out to every county in California, to every city and town on the Pacific Coast, that this fair is to be the magnet that is to attract a throng never before equaled.

Manager C. R. Thomas of the live stock department, announces that he has on his books more entries than the barns upon the grounds will hold. It has been made necessary, he says, to build additional barns, as the cattle are coming from Arizona, Colorado, Washington and Canada, in addition to the numerous herds of California.

More horse entries have been received than were expected, and all departments will be well filled. He and his assistants are working night and day checking out an official catalogue and program, which will be ready for distribution at the opening of the show.

There will be daily meetings of the directors. The preparations that have been made show that the fair will be held on a gigantic scale. An immense tent has been erected for exhibit accommodations for the many extra entries. The entry list is more than double that which was first expected.

Director-general Pridham will remain in the headquarters in Central Park until the fair opens. He says that the work necessary to the opening of a fair like the California Liberty Fair is such that every minute of his time must be given. He now believes that the fair will be a mecca

for all of the counties in California, and for all of the states of the Pacific Coast.

"All is in readiness for the opening of the fair," said Director-general Pridham yesterday. "The job is a gigantic one, larger than I ever believed it would be. There is interest in the fair from all parts of the state and from the states on the Pacific Coast. The newspapers have been particularly kind to us, only the order of the War Industries Board makes it difficult to secure as much publicity as we should have desired. However, we have no complaint to make, because the newspapers of Los Angeles and of the outside cities have devoted as much space as it was possible to give even as big a project as this fair.

"The California Liberty Fair will be a success," this fact is already assured by the entries we have received. There is perfect harmony among our directors, and each man is giving his time and attention to his particular department. As a result of this, we will go into this fair with the assurance that the public will have an opportunity to see an exhibit that will conform in every respect to the Panama-Pacific Exposition that was held in San Francisco during the year 1915."

## AT THE PALACE GRAND

Today's program at the Palace Grand is one that should fill the house to overflowing at every performance, especially as today is the day that has been named by President Wilson as "Liberty Day," the four hundred and twenty-sixth anniversary of the discovery of America by Columbus. It is especially fitting that the second official United States War film, "America's Answer," should

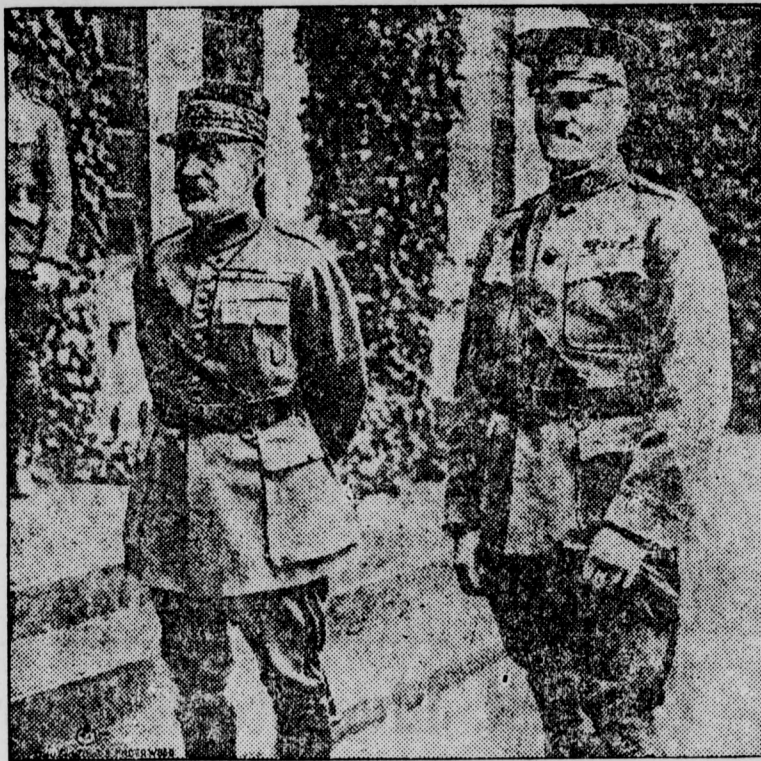

be shown today. This picture shows our boys and what they have accomplished, and shows what progress has been made since the first picture, "Pershing's Crusaders." This is a picture that every American should see, and is offered at the regular Palace Grand admission prices. The children's matinee begins at 2:30, and the evening shows promptly at 6:45 and 8:45.

For Sunday, a big cast of Western players may be seen supporting Harry Carey in "Hell Bent." This is described as a big western classic, featuring a desert mirage, and many gripping scenes. There is also an unusual comedy feature of the Mack Sennett brand, called "Sleuths." It is full of thrills and excitement. Matinee sharp at 2:30, evening shows at 6:45 and 8:45.

The clever little star of "Naughty, Naughty," "The Biggest Show on Earth," and "The Vamp," Enid Bennett, will be seen here Monday, October 14, in her latest picture, "The Marriage Ring." This is a picture of stirring incidents in Hawaii and in Frisco. There will also be animal pictures and a cartoon comedy. Mat-

## FOCH, MARSHAL OF FRANCE, AND GEN. PERSHING

"At the hour when the enemy counted upon imposing a German peace upon us, General Foch and his admirable troops vanquished him."

These were the words with which Premier Clemenceau, the "Tiger of France," accompanied the bestowal upon General Foch of the ancient and honorable title of Marshal of France in recognition of the halting of the German drive by the allied chief commander.

All the world knows of the gallant conduct of American troops, distributed along the firing line under the orders of General Pershing, in the great battles which ended the Hun advance.

The next German drive will be toward the Rhine. YOU can have a share in it by buying Fourth Liberty Loan Bonds.

inee at 2:30. Evening shows promptly at 7:00 and 8:45.

Most people who read have been delighted by the stories of Mary Roberts Rinehart, and no doubt hundreds of Glendale people have read "K." This story has been produced for the films, and will be shown here Tuesday, October 15th, under the title "The Doctor and the Woman." Mildred Harris plays the leading feminine role. In addition, the second and last installment of "Italy's Flaming Front" will be shown. This is an official war film, showing something of Italy's plucky part in the great struggle. Matinee at 2:30. Evening shows at 7:00 and 9:00 sharp.

Wallace Reid, in "The Source," the attraction for next Wednesday, presents the story of a young "down-and-

outer" who, forgetting that he was a tramp, offered to relieve the girl of the heavy load she was carrying. Her glance of contempt woke him up and gave him a new grip on life. Also there will be a Lyons Moran Comedy, "Shot in the Dumb Waiter." Matinee at 2:30, evening shows at 7:00 and at 8:45.

The wonderful actress, Geraldine Farrar appears here again on Thursday, October 17, in "The Turn of a Wheel." She is supported by no less an actor than Herbert Rawlinson, the hero of "Come Through" and "Smashing Through." This is a powerful production, the story of a woman who staked her all on love. And don't forget that every Thursday the official Allied war review is given. Matinee at 2:30. Evening shows at 7:00 and

**"MAGNOLIA CLUB" ORGANIZED**

A meeting was held Thursday afternoon at the Magnolia School and an organization effected whereby its patrons and friends organized the Magnolia Club, with Mrs. Ernest Morgan, president; Mrs. Adams, vice president; Miss Barclay, Secretary; and Mrs. Hearin, Treasurer. The club will meet the second Tuesday of each month, and it does not affiliate with the regular P.-T. A.

**MAJOR WEILER RETURNS**

Maj. Jno. J. Weiler, who has been absent from Glendale for the past two months, has returned after an interesting trip to Portland and other northern points. While in the north, Maj. Weiler attended the National Encampment of the G. A. R. at Portland, Oregon, where he renewed old-time acquaintances and had the novel experience of meeting a brother-in-arms with whom he had "soldiered" during the Rebellion, and whom he had not seen since the close of that conflict.

After an enjoyable visit in which the days were devoted to many excursions among the scenic wonders of that section, the Major proceeded to Capitola, California. At the latter point he made a lengthy visit with his son, Mel H. Weiler, and family, formerly of Glendale. Journeying from Capitola he stopped off at the ranch of Comrade Joseph Saylor, some twenty miles from Pleyto, California. Comrade Saylor was a member of the Major's regiment and company during the Civil War. Concluding his visit at Pleyto the Major returned to his home at 205 West Acacia Avenue, renewed in spirit and looking five years younger.

**MAILING PACKAGES FOR THE SOLDIERS**

The mails are already overloaded with packages for the soldiers, and it has become necessary to adopt certain regulations in order to properly care for it.

Packages for soldiers "overseas" can only be sent by nearest relatives and must be in small containers, and before sending must be approved by

# NO RED TAPE TO LIBERTY BONDS

**A \$100 Liberty Bond is no less than a \$100 bill. It is made by the United States Government on the same kind of silk-paper used in making a \$100 bill. It bears the same guarantee written on a \$100 bill except it guarantees interest and names a definite date on which the face value of it plus accrued interest will be paid on demand.**

**The man, woman, or child who buys one Liberty Bond will buy more. A holder of a Liberty Bond realizes it is money and becomes anxious to get more.**

the postal authorities.

Soldiers overseas cannot send packages without first obtaining a permit from the commanding officer, and the permit must be taken to the postoffice with the package.

Christmas packages for prisoners of war must be sent through the Red Cross New York Headquarters, properly addressed as such, and mailed before October 15th.

**CHILDREN'S YEAR**

The Children's Year Committee of the Council of State and National Defense has addressed a circular letter to the libraries asking their co-operation in carrying out the program for Children's Year. It is especially desired to reach the mothers in the smaller communities.

Later in the fall the University will

offer a correspondence course on "Scientific Motherhood." As a preparation for this course and as a help to all mothers, a list of books has been furnished, carefully selected by experts from the many books on the market in connection with child life.

This list has been posted on our bulletin board, and mothers are urged to consult it.

If it is found that there is a sufficient demand for some of these books, the library will make an effort to secure them as far as the funds will allow.

**CHAS. H. CUSHING,  
Librarian.**

No trouble to buy, cheap, convenient, a real investment—WAR SAVINGS STAMPS.

Food will win the war—Don't waste

## LOCAL HAPPENNINGS

Mrs. Weston, of Oakland, is making an extended visit with friends here.

Mrs. Regina Marshall, of Alhambra, is visiting at the home of her sister, Mrs. Hearn Robinson.

Mr. Moses Stubblefield, of West Acacia Avenue, was a visitor at Long Beach Thursday.

Mrs. Jaimie Little, of Los Angeles, was the guest of Mrs. Landon Haynes on Wednesday.

Mr. and Mrs. P. J. Jacoby, of Roswell, N. M., are now occupying the house at 210 Cypress.

Mrs. Landon Haynes, of 334 West Cypress Street, entertained the Thimble Club Tuesday afternoon.

Mr. George J. Tauxe, of 119 East Park Avenue, has gone on a business trip to Imperial Valley this week.

Mr. and Mrs. J. M. Rich, of 315 W. Los Feliz Boulevard, are now living in Oakland, where he is engaged in business.

Mr. and Mrs. Charles Brooks and son Herbert, of San Pedro, Mr. and Mrs. W. Weldon and Mr. and Mrs. M. Reynolds and little son, spent Sunday at the Herbert Crane home, 1333 South Glendale Avenue.

Owing to a change in business, Mr. Tidball, who recently moved into the Douglass house on Garfield Avenue, has moved his family over to Garvanza, to be nearer his work. The Douglass place is already rented, and will be occupied next week.

Needed alterations and repairs have been made at the G. A. R. hall on Glendale Avenue, consisting of a new side porch and steps, and a graveled pathway to the side entrance. Other alterations are contemplated, which will greatly add to the comfort and convenience of the G. A. R. and W. R. C.

### METHODIST MINISTERS CHANGE

Rev. Charles H. Scott comes from Ontario to fill the place in the First Methodist Church of Glendale made vacant by the resignation of B. Dudley Snudden.

The request of the Tropico Methodist Church to have Rev. B. C. Cory returned to that charge was not granted. Instead, Rev. S. H. Munger will be our pastor for the coming year, and Mr. Cory will officiate at Arlington Heights in the Los Angeles District.

To the West Glendale Methodist Church, Rev. W. W. Cookman was assigned, while Rev. E. M. Crandall, who had been their pastor, goes to the First Methodist Church of Inglewood. Rev. Julius Soper still remains at the Casa Verdugo Church.

Mr. K. A. Wilber and little son Wilber, of Mariposa Street, returned Tuesday from their six months' visit in Arizona.

Warren McCulloch is quite ill at his home on Boynton Street.

Mrs. Butler, of Los Angeles, was the Sunday guest of Mrs. Thomas Cooney.

Fred Grauel was at San Pedro on Tuesday.

Rev. S. R. Munger will preach in the Methodist Church tomorrow (Sunday) morning and evening.

Miss Adda Burch was elected 2nd Vice President of the Auditorium Bible class of the First Methodist Church of Los Angeles.

Mrs. Henry Grauel, Mrs. J. W. McMillen and Miss Adda Burch were luncheon guests of the Misses Clift, of Hobart Boulevard on Tuesday.

Mrs. Clare Bartholomew, of Flint, Mich., a recent arrival here, spent Tuesday "looking over Tropico" with a view to locating here. This office acknowledges a pleasant call.

William Dransfield, of Glendale Avenue, is in receipt of a communication from Ben Palmer, who enlisted in the Signal Corps, and is now probably in active service.

Julius Moniot has enlisted in the limited service, and expects to leave soon for Vancouver. Two brothers, Alfred and Edward, are already in the army service.

Mrs. Albert Harris, of Perlita Avenue entertained at luncheon on Monday in honor of her daughter Lucile, it being her eleventh birthday. The following guests were present: Audrey Haynes, Thelma Grote, Beryl Goodell, Vivian Walshe, Katherine Case, Jane Richardson, Mrs. Light, Lola Light. The color scheme was pink. Delicious refreshments were served. Mrs. Harris was assisted by Mrs. Walshe and Mrs. Jacobsmeyer. The favors were baskets of candies. Many pretty gifts were given Miss Lucile, and a merry time was spent in music and games.

## ✦ RED CROSS NOTES ✦

The U and I Club will meet at the salvage department on Wednesday and assist in the making over of the garments for relief work.

The old Mercantile Grocery building is still the receiving station for salvage in Tropico, with Miss Moulton and Miss Churchill in charge.

The Los Angeles Chapter had a call for 100 comforters to be made at once, so our Tropico Branch is working hard to complete five this week. Our ladies, with Mrs. College as chairman, have pieced quilts, whenever work was scarce, so they were ready when the call came.

Mrs. Hartley Shaw has resigned as chairman of the Tropico salvage department, and taken the sub-chairmanship of the Cerritos Junior Red Cross. She will be greatly missed, but the loss of the salvage department is the gain of the children, who need her valuable assistance.

### SERVICE CLUB ELECT OFFICERS

At their meeting, Tuesday night, the newly-organized "Service Club" elected the following officers: Louise Storer, chairman; Geneva Martin, vice chairman; and Irene Rich, Secretary. The club stands ready for any service to the soldiers or to the Red Cross.

Corporal Charles M. Allen, of the 319th Engineers, is on his way to "somewhere over there." A letter to the Jos. V. Griffins recently was dated September 22nd at Brooklyn, and he anticipated sailing in a few days.

Mr. and Mrs. Emanuel O. Keplar and son Leslie, of 200 West Garfield Avenue, enjoyed a delightful automobile trip over to Redlands Sunday, where they were guests of Mr. and Mrs. John Richardson.

The baby girl born to Mr. and Mrs. A. P. Jensen, of the Jensen Bakery Co., at 760 South Brand Boulevard, about two weeks ago, weighed 9½ pounds, and has been named Alice. The mother and little daughter are doing nicely.

### A LETTER FROM ROGER BAKER

L. L. Baker and wife received a letter, October 1st, from their son, Corporal Roger B. Baker, who is "over there" with Uncle Sam's boys, and they have kindly consented to share a part of it with our Herald readers. Accompanying the letter came a postal showing Roger himself standing by a big automobile with the letters "U. S." on its side, and with sixteen children of various ages to keep him company. He is serving with Co. C. Ammunition Train, American E. F.

The letter in part follows:

Dear Dad and Maw:

Am feeling well. Don't know that I have felt better in all my life, to prove it look at the enclosed. What do you think of all my little native friends? The minute they see the camera they come on the run. I certainly feel sorry for them, as many of them are sick. They try and bum a cigarette from the soldiers whenever they can.

Had several experiences lately. As I entered my tent on my hands and knees a cup of water dropped on my back. Then I found my bunk full of

pebbles. After brushing those off I sat down and didn't stop until I landed on the ground. The boys had sawed my bed in two (bed—some boards laid across a saw horse).

I wonder if the newspapers and magazines are informing you folks what part we are to take in the war. From what I can see here, supplies of all kinds, ammunition, cannon, etc., are pouring in faster than it seems they could be manufactured. It is wonderful the backing we are getting from home.

Mrs. James Marshall, while visiting her sister, Mrs. Bolin, of East Cypress, had the misfortune to fall and break her ankle, Tuesday.

The Harry Turners have exchanged their property on West Aca-cia Avenue for a home over in Pasadena, and will move into it as soon as several improvements are finished.

Mrs. Nina Richards, of West Aca-cia Avenue, has returned from an extended visit through the northern cities, after attending the National Encampment of the G. A. R. at Portland in August.

## CLARENCE BALL DEAD

**Passes Away at Camp Colt, Gettysburg, Pa., A Victim of Spanish Influenza**

Clarence Ball, who was inducted and left here August 23d, is a victim of Spanish influenza.

For about a month Clarence has been at Camp Colt, near Gettysburg, Pa. On Wednesday of last week, his parents, Mr. and Mrs. L. W. Ball, of 363 West Elk Avenue, received a telegram that he was seriously ill. On Friday a telegram from a friend who had visited him relieved their anxiety in a measure by the word that he was getting along nicely, and Clarence himself sent a message of similar tenor to his sister, Mrs. Shaw, of Los Angeles, but at no time were the communications from the camp hospital encouraging. Monday afternoon two telegrams advising his parents that there was no hope and Tuesday morning they received word that he had passed away at 6:30 of pneumonia.

Officials of the Elks Lodge in Gettysburg had called upon Clarence in response to communications received from officials of the lodge here, and Wednesday morning they wired Secretary Jackson that the body would leave Gettysburg for Glendale that morning, attended by a military escort, and that it would reach here Sunday in all probability.

Clarence joined the local lodge about two years ago, and was a favorite with his fellow members. While the funeral services are likely to be military in character, the lodge will probably participate. The Pulliam Undertaking Co. is in charge of arrangements.

Clarence was born in Denver, Colorado, but his school days were passed here. He was a student in the High School for two years and his name is enrolled on its service flag.

### "INFLUENZA" CLOSES ALL GATHERINGS

The following order was issued yesterday, not because we have an epidemic of "influenza" here in Glendale, but as a precautionary measure to prevent one. We are co-operating with Los Angeles, Long Beach and other cities of Southern California in this matter.

As soon as the danger of an epidemic has passed, this order will be rescinded. In the meantime, its provisions will be strictly enforced.

#### To Citizens of Glendale

On account of the prevalence of the epidemic commonly known as "Influenza" and as a precaution to prevent its spread in the City of Glendale, I hereby direct that all assemblage of people in the Schools, Churches, Theaters, Lodges, Clubs, and all gatherings of men for drilling, or other public purposes, be discontinued until further notice.

This order to be effective from and after six o'clock p. m., Friday, October 11, 1918.

(Signed) R. E. CHASE, M. D.  
Health Officer, City of Glendale.

### LIMIT GASOLINE SALE TWELVE HOURS DAILY

Garages and other gasoline and distillate selling and distributing agencies throughout the Pacific Coast have been requested to limit their sales to the hours between 6 a. m. and 6 p. m., to conserve fuel and release man power for the war. Prof. D. M. Folsom, Pacific Coast Fuel Oil Administrator, announced. Many men can be released for army and other war service if this is done, Prof. Folsom said.

The big oil companies already have arranged to close their service stations between 6 p. m. and 6 a. m., for these reasons, beginning October 1, Prof. Folsom said.

The states in Prof. Folsom's jurisdiction are California, Oregon, Washington, Arizona, Nevada, Idaho and Utah.

The public was asked to co-operate in the movement.

Remember! the men in our Army and Navy do not expect luxuries. Should we at home expect them? Buy necessities and War Savings

## PROCEEDINGS OF BOARD OF TRUSTEES

The regular meeting of the Board was held October 10, 1918. The Board assembled at 8:15 p. m., all members being present. The minutes of the last meeting were read and approved.

Dr. R. E. Chase, Health Officer, made an oral report on the situation in Glendale, regarding the cases of influenza. Thirteen cases have been reported to him, supposed to be of this disease, but without bacterial examination it is impossible to make a positive diagnosis. He is investigating the subject in connection with the Los Angeles City and County health authorities, and will be able in a few days to express a more positive opinion and advise the Board in regard to the subject. Dr. Chase does not favor closing the schools at present, believing that it is easier to keep track of the children assembled at the schools than when they are scattered in their various homes.

An application for permit to sell milk was presented from Philip Gies, of 525 Cherry Street. The same being approved by the milk inspector, was on motion of Trustee Henry, granted.

A letter was read from Agent Thedaker of the Southern Pacific Railway Company, Glendale, in regard to the bill previously presented by him on behalf of the railway company for the expense of moving the tower at Tropic. The communication was referred to the City Attorney.

A communication was read from the City Manager calling the attention of the Board to the report of Fire Chief Langford in regard to the test of the pump recently installed on Fire Engine No. 1. The report showed that the test was a very satisfactory one, and the City Manager's communication showed that this apparatus, which was purchased in October, 1913, at a cost of \$6,250, now with the pump installed represents an investment of \$6,369.00; a standard apparatus of the same capacity would cost \$8,200.00. The communication was filed.

The Manager of the Public Service

Department made a report. On motion of Trustee Henry, the Manager of the Public Service Department was instructed to have a red light placed at the junction of San Fernando Road and Pacific Avenue as a measure of Safety.

On motion of Trustee Jackson, the following resolution was adopted, all voting aye:

WHEREAS, the Public Service Department has furnished certain service through its manager in the formation of Municipal Improvement District No. 2, and in the taking over of the lighting system for said district, and is to furnish further services in completing the transfers of all the property to be taken over by said district, be it resolved that the sum of \$150.00 be transferred from the funds of said District No. 2 to the Public Service Department for the purpose of compensating said department for the time of the Manager devoted to said district, as aforesaid."

The City Engineer presented a communication recommending that streets in the newly annexed territory, west of Pacific Avenue, have names corresponding to the scheme carried out in the City of Glendale; suggesting that steps be taken to change Sycamore Avenue to Doran Street; Fair Oaks Avenue to Milford; First Street to Lexington; Second Street to California; Fourth Street to Broadway; Lester Avenue to Kenilworth Avenue; Cherry Street to Kenilworth Avenue; Fifth Street to Harvard Boulevard; Sixth Street to Colorado; Seventh Street to Elk Avenue; Remington Street to Columbus Avenue; and that the thoroughfare now known as San Fernando Boulevard, San Fernando Road and Second Street, have a distinct name. On motion of Trustee Shaw, the recommendations of the City Engineer in this communication were approved and the City Attorney was instructed to prepare an ordinance making the said changes; also changing the name of a portion of Central Avenue to Eulalia Street, and further that the name of San Fernando Boulevard be changed to San Fernando Road throughout.

The City Attorney made a report in regard to the action of the Railroad Commission in his application for a ruling limiting the price of fares to be charged in the City of Glendale to

5 cents. He had presented the matter to the Railroad Commission and the Commission had held that it was not the purpose of the order previously given to raise any local fares, and had practically agreed to the request of the City Attorney. However, the Commission had not as yet issued an order governing the matter, and as a consequence the railway company is still collecting 10-cent fares. He had sent a telegram to Commissioner Loveland requesting that an order covering the matter be issued. On motion of Trustee Shaw, the action of the City Attorney was approved.

The City Attorney reported that the hearing in the water cases, in which the city is interested, had been postponed from October 14th to December 9th next.

On motion of Trustee Shaw it was ordered that a change be made in the proposed ordinance regarding the presenting and auditing of demands, inserting a new section, providing that in the absence or inability of the City Manager to perform the duties imposed upon him, by the ordinance, such duty shall be performed by the City Clerk.

Adjourned, 9:45 p. m.

### 25 YEARS AGO TODAY

From the Los Angeles Express date of Thursday, October 10, 1918:

"Articles of incorporation have been filed by the Glendale Fruit Growers' Association with capital stock of \$50,000. The directors are E. T. Byram, Henry Anderson, B. F. Patterson and M. L. Albright, Glendale; I. M. Clippinger, Tropic; G. T. Deming and J. C. Sherer, Verdugo."

## They're in to Win

Fair targets, every one of these men, for the German riflemen and machine gunners hidden behind the parapet.

But they are not thinking of the bullets whizzing past them; of the shells bursting over their heads.

They are intent on one thing—to scale that bank, take the bridge head and *win the day*.

And these men are made of the same stuff as all true Americans who read these words.

*If we are the same stuff, let us prove it.*

*Let us get into the fight as they do—to the limit—for Victory!*

*This Space Contributed to Winning the War by*

540 W. TENTH ST. TROPICO, CAL.

The mothers of our boys are facing an ordeal with a bravery that commands respect and admiration. Here and there where tiny stars are turned from blue to gold, where anguish grips the heart, the nation stands in silence and honors the women who have given of their blood, the very bone of their bone, to their country. To them, home has lost its meaning—the soul of it has fled—there is no home, it is just a place, and no place is quite so lonely, unless it be within the hearts of those brave sons in far off France who long for just a word of home. There cannot be a man, there cannot be a woman, no, not even a child, who will fail to contribute just a little to make the hearts of these patriots lighter. Not one. Not in our town.

### EPIGRYMES:

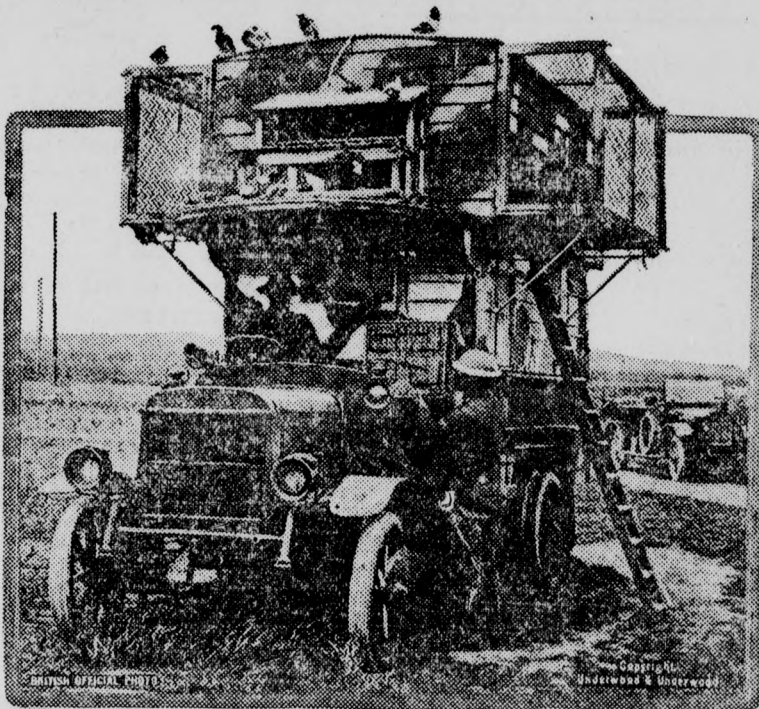

"I think this war is terrible," the Flower Maiden said. "The Bible tells us that, by man, shall no man's blood be shed." Her stalwart friend glanced 'round the shop, then, gently, smilingly, chose violets, carnations red, a rose—the harmony of color that he loved because 'twas red and white and blue! "In **CIRCUMSTANCES** usual," he said, "I hold, with you, that Peace is perfect Paradise; but read the Word again; perhaps 'twill **ALTER** your belief—blood's not been shed in vain!" Then, suddenly, there came a crash! A drunken brute burst in; he seized the frightened Flower Maid—spoke insult's word of sin. The stalwart man who loved his flag, and peace, struck just one blow—and there was blood, a coward's blood! The friend of Peace spoke low: "Take these, our Nation's colors, dear; forever keep them pressed—in Halliburton's book, perhaps; your heart will do the rest; for there are certain **CASES** when a man just can't resist the voice inside him, crying, "Strike!" "I'm off, dear—to enlist!"

Robert Russell.

"Circumstances alter cases."

## ARMY PIGEONS GOING TO FRONT

Carrier pigeons are a valuable factor in the operation of all the allies, never failing to carry a message safely and quickly from the front unless actually killed by shell fire.

They are used at the most critical stages of battles, when all wire communication has been stopped and the barrage is too thick for runners.

Here is shown a motor-transport formerly a London bus, loading up with carriers to go to the British front. The casualties among the birds average 2 per cent. They are wounded by enemy shells, attacked by hawks, and suffer from gas.

They live in gas-proof baskets and when gassed are treated at a hospital. There is also a prison cote for captured enemy birds.

A very tiny share of your Fourth Liberty Loan subscription will go to the pigeon service, but none will be more efficiently spent.

## War Funds Go Up in Smoke, Take Huns Along With Them

1 \$50 BOND WILL BUY high explosive for 100 3-inch Stokes Trench Mortars.

2 \$50 BONDS WILL BUY trinitrotoluol for one 14-inch shell.

3 \$50 BONDS WILL FEED 1 soldier 350 days.

# NATION FACING A MILLFEED SHORTAGE

## Farmers Urged by Hoover to Conserve Supply as Vital War Measure

Issued by U. S. Food Administration  
for California

In order to protect dairy and poultry production from a serious shortage of wheat mill feeds, farmers throughout the nation are urgently requested to co-operate with the Food Administration by using these feeds only for dairy cattle, poultry and young pigs, limiting themselves at all times to a sixty days' supply.

The situation is fully explained in the following statement by United States Food Administrator Herbert Hoover:

Owing to the extension of the drought area, the shortening of the corn crop, the larger animal population in the country, and the Allied demands upon us for feeding stuffs for their own animals because of their own shortage in production of feed grain, it is necessary that we should exert every effort in the proper conservation of feeding stuffs during the next twelve months; yet we must maintain our own animal production. It is necessary that we should ship a larger proportion of wheat as compared with flour during the next twelve months than during the last twelve months to the Allied countries, because their own shortage of feeding stuffs is such that if they are to keep alive their dairy herds, they must have a larger supply of grain wheat from which to make mill feeds.

Already the milk supply in the Allied countries has been limited practically to the supply of children and other vitally necessary national uses, and any failure on our part to supply them with necessary feed stuffs for their dairy herds means that we shall cut into the actual safety of the children amongst the Allies. On the other hand, both our own population and the Allies are dependent upon our production of animal products, and we do not in any way wish to stifle this production. What we must secure is the utmost elimination of waste by the careful feeding of animals and the use of all the roughage available.

One of the difficult problems is the distribution of wheat mill feeds, and this is made more difficult by the fact that the Food Administration, in

an endeavor to protect the farmer, is maintaining an artificially low price on these feeds. One consequence is that a great deal of mill feeds are now going unnecessarily into work animals or beer production.

Every farmer will recognize that the wheat mill feeds are vitally necessary for the dairy cattle, to some extent for the poultry, and for young pigs. Owing to the absorption of mill feeds at local points near the mill, considerable sections of the dairy industry are practically without mill feeds and our dairy production is thereby in danger. With view to correcting this, so far as possible, the Food Administration desires to appeal for the assistance of the farmers of the country in the use and distribution of wheat mill feeds. In this view, we are asking every buyer of wheat mill feeds, outside of the acute drought area, to sign a pledge of honor not to use the wheat mill feeds for any purpose except the essential use in dairy, young pig and poultry production, and not to purchase or hold at any one time more than 60 days' supply. Unless we can secure this careful and specialized use of mill feeds, our dairy production in the congested Eastern areas of the United States is bound to fall and to jeopardize the food supply of our people in that section. Otherwise it will

be necessary to release the price restrictions on mill feeds and allow them to take their natural course.

With a view to securing this co-operation from the farmers all over the country in the interest of their industry as a whole, we are instructing the mills and all dealers in feeds to secure from the buyer of wheat mill feeds the following pledge:

"In order to assist the Food Administration in the distribution of mill feeds, I hereby undertake on honor not to use wheat mill feeds for any other purpose than the feeding of dairy cattle, poultry, young pigs or young calves, or the preparation of a weekly bran mash for work animals. I will not feed any more wheat mill feeds than is customarily fed to such animals and I further agree not to have at any one time more than a 60-day supply of wheat feeds on hand."

### FOR RENT FURNISHED

Three-room apartment or the whole house of six rooms, well furnished. Large garden space, good soil, plenty of fruit. Chicken yards. For further information call at this office or phone Glendale 1500.
